EDUCATION

- | | |
|--|--------------------------|
| ❖ Bachelor of Computer Application Kolhan University, Chaibasa | CGPA: 7 2023 - Present |
| ❖ Senior Secondary (JAC) Karim City College, Jamshedpur | 93.8% 2021- 2023 |
| ❖ Secondary (JAC) Palli Mangal High School, Shantipur | 91.6% 2021- 2023 |

ACADEMIC PROJECT

❖ Currency Convertor

Develop an analytic based project "Currency Converter" in which convert one currency into another currency where JavaScript handles the logic, fetching real time exchange rate via API and performing conversion instantly with additional features HTML and CSS.

❖ Tac Toe Game

Built an interactive memory-based game implemented color sequence logic, user input handling, level tracking, and game-over functionality using JavaScript. Helped strengthen JavaScript skills like DOM manipulation, event handling, and game logic structuring.

❖ Netflix Clone

Designed a Spotify Clone using responsive layout and clean CSS styling. Using Flexbox to match the modern UI design.
